The background is a dense, repeating pattern of light gray icons. These icons represent various aspects of insurance and risk management, including: houses, cars, flames, umbrellas, padlocks, hearts with pulse lines, people silhouettes, hands holding objects, medical kits, and 24-hour service symbols. The icons are arranged in a way that they overlap and create a textured, thematic backdrop for the text.

The background is a dense, repeating pattern of light gray icons. These icons represent various aspects of disaster relief and emergency services, including: houses, fire trucks, ambulances, people holding hands, hearts, padlocks, umbrellas, cars, and medical symbols like a plus sign and a heart with a pulse line. The icons are arranged in a way that they overlap and create a sense of a busy, interconnected network of aid.

The background is a dense, repeating pattern of light gray icons. These icons represent various insurance concepts: houses, cars, people, hearts, padlocks, umbrellas, flames, and medical symbols. The icons are arranged in a way that they overlap and fill the entire space, creating a textured effect.
